Welcome Back!!!!!!!!!!!!!!by Kylie Howe

What does back to school mean to you? For me it means I am going to see my friends from last year and I get to spend time with them in some of our classes I have with them, this what back to school means to me.

A big change when we came back to school for the 2015-16 school year is that now we do not have a dress code anymore because last year no one really listened to the dress code for school and the teachers at all so they altered the dress code to a banned list. Yoga, sweat, and athletic pants are still not allowed, amongst other things, but we get to wear jeans and hoodies! We have a lot more students in school this year than last year so we all had to get used to it because there a lot of students in the halls when we are trying to get from one

Bob's Break Room is Open for Business!!!!!!

by Dasha Bidding

The Marketing class has opened Bobs Break Room right on time this year. Bobs break room is filled with all new workers. The flow of the store is still the same as last year and we still have the greeter, chips, food, beverages, and the register. Bobs break room has an all-new paint job. The custodial department changed the lime green color it was last year to a bright sky blue color over the summer. The upper class marketing students put their hand prints on the walls to give it a personalized touch.

NEW PRODUCTS IN THE STORE.

Bob's Break Room (BBR) has some new products in the store. It is BBR's goal to survey our customers for more products that you want to see in the school store. We have to get a certain percentage of customers who want the product in the store in order to justify carrying it. Here are some of the things we have in the store right now; Vic's kettle corn, Salveo cheese balls, Buttery Caramel Puffs, Bacon Cheddar Fries, Cool Ranch, Nacho Cheese, Sour Cream & Onion, Flamin Hot Cheetos, BBQ, Sweet Spicey Doritos, and Oreos. Some drinks we are offering are Arizona Ice Tea flavors such as; Cherry Lime Ricky, Green Tea, Watermelon, Lemon, Strawberry Kiwi, Strawberry Half/Half and Orangeade.

The Challenge Continues for the 2015/16 School Year

Last year West Side Career and Technology Partnered with The Challenge Inc. to offer cash prizes for student achievement. This year's presentation saw a total of ten students receive two thousand dollars in cash prizes for everything from attendance to grade point average improvement. UGI sponsored the event and the winners were;

Juniors: Johnathan Mendez – Attendance

Catherine George - STEM

Gina Davis - Community Service

Mark Iorio - Academic Improvement

Catherine George, Academic Excellence

Sophomores: Quiroz Benjamin – Attendance

Nicole Finney - STEM

Parker Dieffenbach – Community Service

Sarah Franco - Improvement

Nicole Finney – Academic Excellence

Congratulations to the winners and good luck to all students who will be competing this year, for next year's Challenge!

HOW THE FRESHMAN LIKE THIS SCHOOL

10TH GRADER DAVID BARBER really likes the new dress code policy. This school has better food quality than his old school. 9TH Dakota Truax thinks this school is better because this school gives you more education and gives you more stories to learn in life experiences. 10th grader Jordan Shoemaker said the school is way better than Wyoming Valley west. This school is hands on. Jordan says the food is way better. 9th grader Ania Austion said she really likes this school. "It teaches me how to be hands on so when I actually apply for a job it's useful."

Dave Barber

(From page 2) class to another class. In some classes we have to get more books because we have so many students in the class so it is hard to have enough books for every kid in the classroom. What does back to school mean to you? For me it means we are going to see our friends from last year and we get to spend time with them in some of our classes.

NEW Salon at West Side CTC!!!!

We are open by appointment every Friday between November and May. Appointments can be made for 11:15am or 1:10pm, depending on the type of service. Color Processes and other chemical services must be scheduled no later than 11:15am.

A patch-test must be given at least 24 hours in advance to any color service. We cannot administer any color services until a patch-test has been given and checked for signs of potential allergies.

Walk-ins are welcomed during normal operating hours, but appointment are preferred.
