SPIIIIIKKKKKKKE!

by Kylie Howe

The Volleyball game was very interesting. It was teachers versus students. The Volleyball game was held on Wednesday, December 23, 2015. Both the students and the teachers played a great game. In the end the teachers beat the students. Good job teachers!!!!

Ready for the 2cnd Half!

by Dasha Bidding

West Career and Technology Center's Christmas break started on December 24th and ran through January 3rd. The students returned on January 4th. There were record breaking temperatures this Christmas.

There was no snow this Christmas which hopefully was not too upsetting for a lot of students. Hopefully all the students had a nice holiday. Freshman Charlene Quick didn't mind because she likes "the rain anyway". Fellow freshman Dakata Truax said "It wasn't the same without the snow." Students are back and ready to finish out the second half of the school year.

It's a Brand New Year

Celebrations marked the start of 2016 and have taken place all around the world, who can believe 2015 is over already! It went by so fast. Hopefully everyone had a good new year. Whether you brought in the new year at a party or at home the New Year makes everyone smile. Are any students going to make a new year's resolution? If you are try to stick to it this year. Because I'm pretty sure we all make New Year's resolutions and some of us including me don't stick to it. So this year try your best to stick to it. That's your homework for the year lol.

Strawberry covered Chocolate!

Happy belated Valentine's Day. Bob's Break Room sold their chocolate covered strawberry smoothies. They were \$2.50 each and marketing students sold a bunch! West Side Students could've sent their girlfriend/boyfriend a chocolate covered smoothie as a valentine.

Marketing came up with a new flavor, white chocolate covered strawberry, and it was a big hit!

Titan Midterm Blues.....

Midterms were held in January as required by the school. The tests are meant to gauge student learning at the midpoint of the school year. Hopefully students studied hard because midterms are worth a big chunk of your grade for the whole school year. Midterms began on January 22 2016. The next big test are finals!!!!!!

Catherine McCauley House

Civics history students participated in a donation week for the woman's shelter. Some of the items they needed was baby clothes, detergent, paper towels, toilet paper etc. The award for the students who participated was a sweatpants day. The homeroom who had the most products to donate wins a McDonald's breakfast. The homeroom that won the McDonald's breakfast was Ms. Scarmastro's homeroom. Congratulations to all who are in that homeroom.
